Tax Collector offers Driver License Services in Plant City

TAMPA, FL – (June 2, 2011) Hillsborough County Tax Collector, Doug Belden, takes on driver license services in the Plant City Tax Collector's office as the Department of Highway Safety & Motor Vehicle Driver License office in Plant City permanently closes its doors on June 3rd, 2011 at 5 p.m.

The transition of duties is a result of legislation passed last year that mandates county Tax Collectors take over all driver license functions from the state by 2015. By the end of summer, Hillsborough County taxpayers can expect to see the relocation of the North Tampa Tax Collector's office which will include the expansion of driver license services. In addition, Doug Belden plans to offer limited driver license services by appointment only in the downtown office by the end of 2011.

The Tax Collector's Plant City office is located in the Strawberry Plaza shopping center at 1834 Jim Redman Parkway. Driver license services offered at the Tax Collector's office include original, transfer of out of state license, renewal, duplicate and replacement licenses and issuance of identification cards. Florida license reinstatement services are also available.

The tax collector currently offers limited driver license services in;

- Plant City, 1834 Jim Redman Parkway
- Brandon, 2211 N. Falkenburg Rd.
- South County (Ruskin), 3002 E. College Ave.
- West County, 6283 W. Waters Ave.

Motorists requiring a road test must visit DHSMV's Service center located at 2814 E. Hillsborough Ave., Tampa, FL 33610. This is the only office administering road test in Hillsborough County.

For more details regarding driver license services, visit the Hillsborough County Tax Collector's web site at www.hillstax.org or call 813.635.5200.
